THE AMERICAN'S CREED

I believe in the United States of America as a government of the people; by the people, for the people' whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it; to support its Constitution; to obey its laws' to respect its flag, and to defend it against all enemies.
